MEMORANDUM FOR: ASSISTANT DIRECTOR, OSC

Subjects Special Procedures Branch

We are receiving considerable pressure ever the status of our activities in connection with Special Procedures Branch. While I am in complete accord with the necessity for considered planning in this regard it is of real importance that the Branch be made operational at the earliest practicable date.

It is suggested that every possible potently be given to the security electance of prospective personnel for the Branch. If necessary the full use of _____facilities may be used to suggest your even services in this regard.
